Year 12 Privileges and Responsibilities

1.0 PURPOSE OF THE POLICY
1.1 To ensure members of our senior co-hort are recognised as community leaders and role models for our junior students.
1.2 To provide opportunities for senior students to exercise personal judgement in order to receive privileges based around their needs to grow and develop as mature community members, who are about to leave the formal constraints of our education system.

2.0 PRINCIPLES
2.1 All year 12 students will have opportunities to participate in and benefit from privileges that are exclusive to members of this co-ohort.
2.2 With privilege comes accountability, responsibility and consequences.
2.3 Privileges offered should be consistent with society expectations and not breach OH & S safety requirements.

3.0 HOW THIS POLICY WILL BE PUT INTO PRACTICE
3.1 All members of the senior co-hort will be briefed by the year 12 co-ordinator during transition process and made aware of privileges that are being given.
3.2 Any breaches of the privileges will result in direct consequences as outlined in the table below.
